Under the circular issued by the RBI, all POS EDC devices can be used for the purpose of withdrawing cash via a Debit Card

V-Mart Retail Limited, India's leading retail company, has launched its first V-Mart store in Srinagar. Spread over 10,000 sq.ft. of space, it is located at the Sara City Center, Jahangir Chowk.

V-Mart Store will offer an array of products ranging from FMCG goods, grocery items, women's wear, kid's wear, menswear, footwear, home furnishing, home and kitchen appliances and luggage amongst others.

At this launch, Mr. Lalit Agrawal, CMD, V-Mart Retail, said, "We at V-mart always try to reach our customers and make their shopping easy, comfortable and valuable. We want to provide a one stop solution to the Srinagar customer, so that they do not have to roam around here and there for their daily needs. We are expecting a very good response and support. We hope we would be able to fulfill their needs and make their shopping enjoyable."
